

Special Package " 4 AEOLIAN ISLANDS "

2 days / 1 night

Panarea – Stromboli – Lipari – Vulcano.

Daily departures

1st Day

Panarea – Stromboli

10:00am Self arrival in Lipari (extra charge for FERRY or HYDROFOIL tickets). Accommodation in the booked rooms of the hotel.

02:00pm Assisted by our staff on site, boarding on a private boat and departure for :

EXCURSION to PANAREA and STROMBOLI by night

Sailing along **Lipari island** (*Castle, Monterosa, Capo Bianco* and the *pumice caves*) . Arrival at **Panarea**, famous for its coves, the islets of *Dattilo* and *Lisca Bianca*, and especially for its mundane place.

During the afternoon, we will go to **Stromboli**, the most fascinating island of the archipelago and setting for many movies (*Rossellini's film*) and works of literature (*the novel by Jules Verne*). The island is also dominated by the legendary volcano (920mt a.s.l.), in constant activity, from where rivers of black lava of previous eruptions and the current red ones flow down. Free time for enjoying spectacular views, visit the town or a hike to the crater. In the evening, the resumption of navigation along *Strombolicchio, Ficogrande, Piscità* and *Ginostra* and at night, by chance, view of the spectacular explosions of the *Sciara del fuoco* (Street of fire).

10:00pm Return to Lipari, free dinner. Accommodation.

2nd Day

Lipari - Vulcano

08:00am Breakfast. Leaving the rooms. Free time for self-guided visit of Lipari.

VISIT of LIPARI

Lipari is the most important commercial centre of the Aeolian Islands. Visit of the city, crossed by narrow streets and ideal for shopping. Interesting also the archaeological Museum divided into sections with discoveries dating from the 4th millennium BC, others of the Bronze Age 2000-1400 BC, pottery dating from 1400-1250 BC, and a series of several other remains.

2:30pm 00pm Assisted by our staff on site, boarding on a private boat and departure for :

BOAT TRIP to LIPARI and VULCANO

The boat tour of **Lipari** offers the possibility to enjoy its beautiful coastline and superb seabed. You can see caves and cliffs overlooking the sea. It is also possible to admire the *Faraglioni of Lipari, Pietra Lunga and Pietra Menalda, the rock of Pope John, and the Angel's Cave*. After crossing the channel that separates Lipari and Vulcano, arrival at the small peninsula of Vulcanello. In front, the majestic crater dominates the scene. Stop at Vulcano.

Free time for self-guided visit of the island and its beaches. The tour ends at the Black Sands beach near the Fumaroles and the natural springs. During navigation, possibility of diving for a swim from the boat.

6:30pm End of services.

On request (extra charges apply), ferry / hydrofoil to Milazzo or Lipari.
